business innovation

# Climate Ready Information Session

You are invited to attend this information session on AusIndustry's *Climate Ready* program, that you or your client may be able to access for an eligible project.

The session will feature **Cam Bowly from AusIndustry** who will present a detailed program overview covering the possible range of projects, eligibility and application expectations.

## What does *Climate Ready* offer?

*Climate Ready* provides grants from \$50,000 to \$5 million on a matching funding basis to support projects that address the effects of climate change.

## Who is *Climate Ready* for?

*Climate Ready* supports small and medium-sized businesses.

Companies can apply for funding for any or all aspects of the development of an innovative product, process or service including research and development, proof-of-concept, and early-stage commercialisation.
