

FUTURE ORGANIC OPPORTUNITIES FORUM

Are you seriously interested in commercial opportunities
for organics?

This forum is being held to bring together commercially minded existing or potential primary producers of organic, bio-dynamic, permaculture and other sustainable and diverse agriculture, to assist in the development of a feasibility study to identify future organic opportunities for the region.

Facilitated by **Bob Cobavie** of Outsource Management, with key speaker
Andre Leu, Chairman of the Organic Federation of Australia,

Date: Wednesday 17th March

Time: 9:30am – 3:30pm
Lunch included

Venue: Platypus Bend Eco-Retreat
